

MINI 3 POLE SPEC Pak®

Sealed Power For Environmental Connections

Marine | Wind Power | Lighting | Transportation | Pumps | Ground Support
Machine Tool | Industrial Automation | Motor | Solar Power | Harsh Environments

APP's new SPEC Pak® Mini 3 position connector is a small, IP68 sealed interconnect solution that provides up to 3 contacts and is UL rated to carry up to 22 amps per contact at 600 volts. This connector is ideal for applications requiring power or power and signal combined in a compact environmentally sealed (IP68) package. Contacts are available for wires ranging from 24 AWG to 14 AWG. Contacts are 30µ gold plated to provide low resistance and up to 500 mating cycles. The male contacts are also available in 3 lengths to enable sequencing as required. The connectors meet the UL1977 Sec 10.2 touch safe requirements and have an integral latch to prevent accidental un-mating. The SPEC Pak® Mini 3 connectors are manufactured of durable polycarbonate material and meet UL94 V-0 flame resistance requirements.

Features

- **Environmentally Sealed**
- IP68 rated
- Passes UL50 Sec. 36
- **High Power In Compact Housing**
Housings provide up to three contacts rated up to 22 amps at 600 volts
- **Touch Safe Housings**
Meets UL1977 Sec.10.2
- **Integral Latch**
Prevents accidental un-mating
- **Male Contacts Available In 3 Lengths**
Allows sequencing of mating contacts
- **Ruggedized Shells**
Manufactured of durable polycarbonate that meets UL94 V-0 flammability requirements

SPECIFICATIONS

Electrical		Max Amps Per Wire Size	
		UL	CSA
UL Voltage Rating	600V		
Operating Temperature (°C)	-20 to 105		
	(°F)	-4 to 221	
Flammability Rating	UL94 V-0		
	UL746C (12mm)		
Mechanical			
Mating Cycles	500		
Submersion Test UL50 Sec. 36	Pass		
IP Rating	IP68		
Touch Safe	UL1977 Sec 10.2		
Contact Resistance (milliohms)	3		
Contact Retention (lbf)	18		
	(N)	80	
Insertion / Extraction (lbf)	5		
	(N)	22	
Mechanical Shock (50g)	EIA Standard 364-27		
	Test Condition A		
Vibration (7.5g)	EIA Standard 364-28		
	Test Condition VB

Part Numbering Notes:

- To Order Mini 3 Pole SPEC Pak® shell kits only (no contacts or wire sealing grommets), use part numbering on page 2 only. Contacts, wire seals and wire protection may be ordered separately.
- To order customer configured Mini 3 Pole SPEC Pak® connectors (including contacts, wire sealing grommet and wire protection) use Part Number Plan across the top of page 2 and 3. **Customer configured Mini 3 Pole SPEC Pak® Plug connector example: SK6-016M03PB01-P41**
*** Custom configured Mini 3 Pole SPEC Pak® Plug connector example: SK6-016M03PB01-P00-A01**

* Custom configuration may not be UL recognized.

ORDERING INFORMATION

Компания «ЭлектроПласт» предлагает заключение долгосрочных отношений при поставках импортных электронных компонентов на взаимовыгодных условиях!

Наши преимущества:

- Оперативные поставки широкого спектра электронных компонентов отечественного и импортного производства напрямую от производителей и с крупнейших мировых складов;
- Поставка более 17-ти миллионов наименований электронных компонентов;
- Поставка сложных, дефицитных, либо снятых с производства позиций;
- Оперативные сроки поставки под заказ (от 5 рабочих дней);
- Экспресс доставка в любую точку России;
- Техническая поддержка проекта, помощь в подборе аналогов, поставка прототипов;
- Система менеджмента качества сертифицирована по Международному стандарту ISO 9001;
- Лицензия ФСБ на осуществление работ с использованием сведений, составляющих государственную тайну;
- Поставка специализированных компонентов (Xilinx, Altera, Analog Devices, Intersil, Interpoint, Microsemi, Aeroflex, Peregrine, Syfer, Eurofarad, Texas Instrument, Miteq, Cobham, E2V, MA-COM, Hittite, Mini-Circuits, General Dynamics и др.);

Помимо этого, одним из направлений компании «ЭлектроПласт» является направление «Источники питания». Мы предлагаем Вам помощь Конструкторского отдела:

- Подбор оптимального решения, техническое обоснование при выборе компонента;
- Подбор аналогов;
- Консультации по применению компонента;
- Поставка образцов и прототипов;
- Техническая поддержка проекта;
- Защита от снятия компонента с производства.
